

Dallas Telecollege

The Dallas County Community Colleges has been one of the nation's premier providers of distance learning since 1972. Our award winning courseware has been used by over 1 million students to date. Through Dallas TeleCollege, our online campus, students have access to all instructional material and services need to work towards a degree without ever having to set foot on one of our campuses. Dallas TeleCollege is honored to celebrate the start of the Dallas County Community College's second decade of service to NCPACE. Over the years, thousands of Sailors have completed our courses as part of their pursuit of a degree.

The member colleges of the DCCC are independently accredited by the Commission on Colleges of the Southern Association of Colleges and Schools. All NCPACE coursework will be transcribed like the same course if it were offered in a traditional classroom setting. Our courses are guaranteed to transfer to all Texas state colleges and universities as well as most accredited institutions of higher education across the country. In addition, our degrees are part of the SOCNAV-2 network.

How do I contact Dallas TeleCollege?

By US Mail:

Military Programs
Dallas TeleCollege
9596 Walnut Street
Dallas, TX 75243

By email:

telecollegeinfo@dccd.edu

By Facsimile:

972.669.6409

On the Web:

www.dallastelecollege.dccd.edu

What degree is offered?

Associate of Art/Science:

This is the core university transfer degree. It is designed to give students a firm core academic foundation to transfer to most four year institutions with junior level standing.

How can Dallas Telecollege work for you? Here are the answers to many of our most common inquiries.

What comprises a course?

Courses are designed to use a textbook, telecourse study guide, CD-ROM materials with video, and a student kit containing a syllabus. Most courses require 3-5 proctored exams comprised of multiple choice and short essay responses. In addition, many courses require brief journal entries, case studies or other short writing assignments.

How do I order my transcripts?

Transcripts are free of charge, but requests must be made in writing. Please fax or mail a written request containing your name, contact information, where the transcript is to be sent, signature and a copy of a photo ID to the contact address or fax at the end of this page.

How do I get my grade?

The DCCCD no longer mails final grade reports. As soon as your NCPACE grade is available from the instructor we will have it posted to your SMART. If you are unsure of how to access your SMART, please check with your ESO or local Navy College Office.

Can I get a SOCNAV agreement?

We are happy to provide an unofficial evaluation of credit to any interested Sailor. An official SOCNAV agreement may be requested after completing 6 credit hours with us.

What is your residency requirement?

To receive a degree from DCCCD, 25% of the total semester credit hour requirements must be taken in residence. Distance learning and NCPACE courses count towards satisfying our residency requirement.

Can I continue my degree after deployment?

Yes. Each semester, Dallas TeleCollege offers over 150 different college courses online. Best of all, our most popular courses start every few weeks as open enrollment. Our online program is one of the plank owner institutions in the Navy College Program Distance Learning Partnership. Traditional tuition assistance policies apply.
